

GUIDELINES FOR THE
EAGLES NEST HOA
SUB-ASSOCIATION
GRANTS PROGRAM

The purpose of the HOA's Grant program is to contribute to our sub-association's small beautification projects. Examples of approved projects are: new entry signs, association gardens, annual plantings or pots,

The Grants program is not for general maintenance or capital improvements.

Depending on the number of requests received for the year and the amount requested, most sub-association projects are granted between \$1,500 - \$3,000. The payment is made to the sub-association once the project has been completed and is invoiced. A project must be completed within the HOA budget year.

The deadline for applications each year is April 30th. A sub-association may apply once yearly for a grant.
